

R4R Entertainment Service Fees:

DJ Service Minimum Hours: (Four (4) hour minimum for DJ Services)

We, as most DJ or Entertainment companies, must mandate a minimum hour for services. It takes time to set up and take down and in which that we don't charge for so we apply the minimum hours of service to make it worth our while for us to DJ your event. It wouldn't be beneficial for any Entertainment company to setup and take down for a one (1) or two (2) hour event, so there for we implemented a four (4) hour minimum for DJ services.

General DJ Services: (General DJ Services start at \$75.00 per hour)

If Rhyme4Reason (R4R) Entertainment quotes your event at the minimal service charge for a four (4) hour minimum party then it would be \$300.00. For example, if you schedule a party for five (5) hours then its \$75.00 multiplied by five (5) for a total of \$375.00. If you would like us to stay later then your scheduled service agreement time frame and if we have no-other prior events scheduled then anything outside the scheduled time frame would accrue a \$100.00 per hour service charge. These fees are excluding weddings.

** The price quote for your event reflects on the amount of time, planning, activities, and responsibilities required from us for that particular event.*

Wedding DJ Services: (Wedding DJ Services start at \$150.00 per hour)

Weddings take more planning and organizing and therefore are double of what our general DJ Service prices start at. For example the minimal a wedding could start at would be \$75.00 multiplied by two (2) for a total of \$150.00 per hour for a four (4) hour minimum party then it would be \$600.00. If you would like us to stay later then your scheduled service agreement time frame and if we have no-other prior events scheduled then anything outside the scheduled time frame would accrue a \$200.00 per hour service charge.

** The price quote for your event reflects on the amount of time, planning, activities, and responsibilities required from us for that particular event.*

Deposit: (50% Deposit for DJ Services ALL other services paid in full)

To book us for DJ Services and hold your date and time slot for your event we would need a Fifty Percent (50%) deposit within fourteen (14) days of the signing of our service agreement. This does not include travel expenses. All travel expenses are to be paid at the time that the deposit is paid. All other services such as Photography, Videography, Live Performances, and Archive services in full at the time the deposit is paid.

Additional Fees: (Taxes and Travel Expenses)

These fees are not including any and ALL local and state taxes, or any additional travel expenses that may occur if your event is not within the fifty (50) mile round trip radius of our home office which is stated in our service agreement. Such travel expenses could be: mileage, tolls, parking, etc.
